

A N I E M E

To whom it may concern,

Mebel Valencia has established itself as a professional and reliable company in the sale and promotion of furniture manufactured in Spain. With more than 30 years of experience, this firm represents an important number of top-quality Spanish manufacturers with whom it maintains a close relationship.

Thanks to its outstanding customer service, which ranges from help with product selection, sending catalogues and samples by courier to the logistics and worldwide delivery, Mebel Valencia has earned the trust of many customers all over the world. They do, therefore, a remarkable promotion of "made in Spain" furniture at an international level.
